

SUPERIOR COURT OF CALIFORNIA,
COUNTY OF RIVERSIDE

Pre-Trial Order

THE COURT ORDERS AS FOLLOWS:

In any matter set for trial in Department T-1, the parties are ordered to comply with Rule 3401 of the Riverside Superior Court Rules of Court, available online, with the following changes:

1. Since Department T-1 does not have capacity for jury trials, none of the provisions in Rule 3401 related to jury trials will apply.
2. Rule 3401(1)(b) does not apply. Unless waived by the court prior to trial, compliance is mandated regardless of the time estimate for trial.
3. Rule 3401(9)(a) is amended to provide that all trial documents are to be filed at least four (4) days before the hearing. The transcripts described in 3401(9)(c) may be lodged on the first day of trial.
