NOTICE

CIVIL MOTION HEARING DATE RESERVATION SYSTEM

Please be advised that the system to [request a civil motion hearing date](#) will be taken offline on Wednesday, June 30, 2021 starting at 12:00 p.m. and will remain off line until Thursday, July 1, 2021.

The court is transitioning to a new Court Reservation System (CRS) for motion hearings starting on July 1, 2021. All hearing reservations made before Noon on 6/30/21 will be transferred over to the new reservation system.

The Court Reservation System (CRS) will be available for unlimited, limited and unlawful detainer motions. Each civil department has a maximum number of daily slots to hear motions, and by utilizing the court reservation system (CRS), parties are guaranteed a motion slot on the calendar. If law and motion hearings are not reserved in advance, the court cannot set a hearing date once the maximum time slots are reserved.

The Court appreciates your patience while we make the transition to the new hearing reservation system.

For more information or questions, please contact our [Civil Director](#) via email or by phone 951-777-3051.
